

ELECTRONICS MINI-KIT SETS OF NEVO-SKY DUAL 6 CYL. or 8 CYL. MASTER-SLAVE

NEVO-SKY
DUAL

controllers in mini-kits
are available in two variants:

RL+RL

R+RL

 **FENIX**

 **HAWK**

MASTER-SLAVE

The controllers included in these MINI KIT MASTER-SLAVE sets communicate with the system via a MASTER-SLAVE connection – one of them is coded to work as SLAVE and **does not have the full functionality of the NEVO-SKY DIRECT 4 cyl. controller.**
